

2023 ANNUAL MEETING

Erie County Chamber of Commerce and the Greater Sandusky Partnership invite you to the 2023 Annual Meeting.

This special annual event is open to chamber members only. This event will bring our valuable members up to date with changes happening at the chamber. There will also be food, music, networking, and a beautiful view of Lake Erie.

We invite you and your company to join us as a sponsor and salute our city's future.

We will have a special guest speaker, Brian Zimmerman, CEO of Cleveland Metroparks. In this role, he is responsible for the management of nearly 25,000 acres of green space in Northeast Ohio. Brian has been recognized nationally through several awards, including the 2021 National Gold Medal Award for Excellence in Park Management by National Recreation and Park Association (NRPA). In addition to his CEO position for Cleveland Metroparks, Brian is a member of the American Academy for Park & Recreation Administration (AAPRA) and served on several boards for local organizations.

Arrival for the event will begin at 3:30pm, a buffet-style reception will begin at 4:00pm, and a cash bar will be available for guests above 21 years of age throughout the evening.

Due to limited seating, all guests must RSVP to this event via the link provided below.
