ECONOMIC DEVELOPMENT MANUFACTURING HIGHLIGHTS!

OKAMOTO VISITS SANDUSKY

Okamoto Industries recently visited the City of Sandusky to express gratitude for the City's continued support as they expand their West End Okamoto Sandusky Manufacturing facility near Lions Park.

The expansion will retain 133 jobs and create 10 new positions, adding roughly \$404,400 annually to the local payroll. To support increased truck traffic, the city is reconstructing Huron Street and resurfacing West Monroe/Edgewater Avenue, a \$1.1 million project funded mostly through state grants.

Okamoto's total investment of about \$1.4 million was made possible through collaboration with city, state, and regional partners to improve infrastructure and encourage job growth.

MANUFACTURING DAY 2.0

Held at Lorain County Community College, Manufacturing Day 2.0 brought together leaders, educators, and industry partners for a day focused on innovation, collaboration, and momentum for the regions manufacturing workforce.

Highlights from Manufacturing Day 2.0 included guided tours of LCCC's training spaces, a youth simulation activity presentation, and engaging discussions on workforce readiness, leadership development, and innovative child care solutions.

Thank you to our sponsors, including Hosting Sponsor, Lorain County Community College, and our program partners: Magnet Ohio, Terra State Community College, ONE Lorain County, Child Care Resource Center, Lorain County Chamber of Commerce, and North Point Educational Services Center

A NEW HOME FOR MARGARETTA SCHOOLS

Margaretta Local School District has officially resumed construction on its new PK–12 school, bringing all grade levels together on one modern campus.

The project will replace multiple older buildings with a single, updated facility designed for current learning needs, including improved classroom layouts, shared student spaces, secure entrances, and upgraded athletic and activity areas. The new facility will strengthen both student learning and its role as a resource for the wider community.

COMPANY SAVES WITH CAPITAL LEASE PROGRAM

Heritage Cooperative saved \$270,000 through the capital lease program, a tool provided by the Erie County Port Authority, administered by GSP. Heritage Cooperative will be investing \$10 million in a new 40K square-foot facility, helping to retain 20 local jobs.

Special thanks to Heritage Cooperative and Wyandot County Economic Development for trusting GSP with this project.

GRANT OPPORTUNITY!

SHORES & ISLANDS OHIO

SHORES & ISLANDS OHIO

Shores & Islands Ohio is now accepting applications for its 2026 Destination Development Grant Program. Projects should focus on improving amenities, attractions, and facilities, fostering connections between residents and visitors, and aligning with S&IO's mission and strategic goals.

New this year, grant applicants are required to attend an informational meeting before they are allowed to apply. There will be a virtual option for those who cannot attend in-person. If unable to participate in any of the sessions, the applicant must schedule a one-on-one review with Amanda Smith Rasnick before applying.

Email amanda@shoresandislands.com with questions regarding the info sessions or to schedule a personal review.

Applications are due February 25, 2026, with award meetings scheduled April 1–3 and April 6–8.

TEAM HIGHLIGHTS

40 UNDER 40 RECOGNITION

Congratulations to Our Director of Marketing and Creative Services, Alissa Fisher, on being named a 40 Under 40 honoree by the Association of Chamber of Commerce Executives (ACCES).

This national recognition highlights emerging leaders making an impact in the chamber industry. We're proud of Alissa and grateful for the creativity, leadership, and care she brings to our work every day.

NEW TEAM MEMBER

We're pleased to welcome Braden Michel to the Greater Sandusky Partnership team as our new Project Development Manager. In this role, Braden will support investment, development initiatives, and long-term economic growth throughout the Sandusky region. We're excited to have him on board and look forward to his contributions to our community.

CLASSROOM GRANTS 2025 - 2026 SCHOOL YEAR

Supporting Educators in Our Communities

Directions is proud to champion the incredible work you do every day in the classroom—and we're here to help bring your boldest ideas to life!

We know that teachers often go above and beyond, even reaching into their own pockets to make learning magical. That's why we're thrilled to announce our Cares for Classrooms Grants—a special initiative to support the creativity, passion, and dedication of K-12 educators in the communities we serve.

Here's the exciting part:

We're awarding up to \$15,000 in total grants during the 2025–2026 school year, with individual grants of up to \$500 available to fund classroom dreams big and small.

Whether you need:

New books to spark imagination

Math manipulatives to make numbers come alive

Art supplies to unleash creativity

Software or AV equipment to enhance engagement

Lab Materials for hands-on discovery

Any other resource that supports student learning

...we've got your back!

If you're a K-12 educator in a community served by Directions, we encourage you to apply and let us help you make a difference—one project, one student, one classroom at a time.

Let's build something amazing together. We can help turn your classroom vision into reality!

Partner with Us to Strengthen Business and Child Care Together

My Faith Learning Center is partnering with local employers to create a sustainable solution that benefits both businesses and families. Through a state funded Business Partnership Grant, businesses can:

- Reserve guaranteed child care slots for their employees
- Contribute directly to child care tuition support
(additional discounts with the preferred employer plan)

This partnership aligns business needs with dependable, high-quality child care for working families. By joining us, your organization helps build a stronger workforce, supports employee well-being, and invests in the long-term growth of our community.

We invite your business to be part of this collaboration and help shape a model that works for employers, employees, and children alike. Each business partner will be encouraged to participate in the first year of the project to receive foundational support that will help them implement the needed plan for long-term employee support implementation through their fiscal and human resource infrastructure. Support from the state grant will be provided in tiers: 75% in the first year, 25% in the second year, and phased out entirely by the third year, at which point no state support will be provided. The grant will provide support and a "runway" for businesses to update HR policies, rework fiscal investments and support new and existing employees with their child care needs. Child care supports offer a meaningful benefit that reduces absenteeism and improves retention for any business that invests.

To partner and take advantage of this grant opportunity you will:

1. Sign a MOU between the child care program and business
2. CCRC will assist the business with creating a rollout or pilot run of the program
3. Data will be collected from both the child care program and partnering business
4. Quarterly meetings will be held with the child care staff, HR staff and if there are parent groups we will meet with them as well.

If you are interested in a discussion or to begin partnering today contact Jennifer Dodge at 440-242-0413 ext. *231 or email at jdodge@ccrcinc.com .

Thank you

FOR IMMEDIATE RELEASE:

**Erie MetroParks Awards \$57,878 to Local Parks Through Their
Local Park Capital Improvement Grant Program in 2025**

Huron, OH, December 2, 2025- Erie MetroParks has completed the 2025 Local Park Capital Improvement Grant program and awarded eight Erie County political subdivisions a total of \$57,878 for infrastructure improvements to their local parks.

Executive Director, Melissa Price, stated that “The Board and I believe that investing in our local parks is an investment in the health and vibrancy of our local communities. Through Erie MetroParks capital improvement grant program, we desire to ensure that all Erie County residents have access to safe and welcoming outdoor spaces.”

Funding for this Local Park Capital Improvement Grant Program (LPCIGP) comes from the Erie MetroParks general operating fund. Since its inception, Erie MetroParks has distributed \$723,378.00 to grant recipients to maximize each county resident's tax dollar by assuring accessibility to quality and safe recreational areas in their own backyard.

The 2025 award recipients were:

The Village of Bay View, \$7,680 for the removal of leaning electric pole and wires, relocating on at the shelter at Orshoski Park.

The Village of Berlin Heights, \$10,000 for the resurfacing and leveling of their tennis and basketball courts. Also, the painting of pickleball lines on the tennis courts at the Berlin Community Park.

Groton Township, \$2,283 for a movable pitching mound at the Groton Township Park.

The City of Huron, \$4,717 for the replacement of two accessible beach mats at Nickle Plate Beach.

The Village of Kelleys Island, \$9,457 for the purchase of wheelchair accessible convertible picnic tables/benches for the pavilion at the Kelleys Island Community Park.

Margaretta Township, \$9,153 for the installation of water bottle refill stations at the restrooms and permanent homerun fencing at Field A at Castalia Lions Park.

Oxford Township \$6,300 for the replacement of an old swing set at Oxford Township Park.

Perkins Township, \$8,288 for the replacement of picnic tables and trash cans at Fairview Park.

“Because our Park Board is not directly funded, we rely entirely on grants from the Erie MetroParks program. Thanks to this support, over the years we have implemented landscaping projects, planted new trees, and updated park equipment such as wheelchair accessible benches, picnic tables and a water fountain. These enhancements have made our parks more welcoming and accessible. Now, everyone can participate in recreational activities, regardless of physical ability.” -Marvin Robinson, Kelleys Island Park Board Member.

Political subdivisions of the State of Ohio (cities, villages, and townships) are eligible to apply for funding, provided the agency is responsible for outdoor park and recreation facilities and is located in all or part of Erie County. Those eligible will be contacted and sent applications in early 2026.

FOR IMMEDIATE RELEASE:

**2026 DESTINATION DEVELOPMENT GRANTS AVAILABLE IN ERIE
AND OTTAWA COUNTIES**

SANDUSKY, OHIO, November 14, 2025--- Shores & Islands Ohio, the Destination Marketing Organization for Erie and Ottawa counties, announces the availability of the Destination Development Grant Program for 2026. The Destination Development Grant Program has been created to assist organizations and businesses in the Shores & Islands Ohio (S&IO) region in developing projects that will attract and engage visitors and residents, serve and educate regional tourism partners, and generate economic growth for the community through travel and tourism development. 29 grants were awarded in 2025 for a total of \$584,000.

Over the past four years, more than \$2 million in Destination Development Grants have been distributed to local businesses to help them better serve their customers and enhance their communities, as well as the region overall.

Organizations do not have to be a S&IO partner to apply, however, if an award is granted, partnership with Shores & Islands Ohio is required. Partnerships will be discussed at the grant award meetings, April 1- 3 and 6-8, 2026. Applicants could include, but are not limited to, local governments, for-profit enterprises, and non-profit organizations. Organizations with active projects funded through the Destinations Development Grant or other Shores & Islands Ohio funding streams are not eligible to apply until the previously funded project is complete and all requirements have been fulfilled.

SHORES & ISLANDS OHIO

CEDAR POINT • SANDUSKY • PUT-IN-BAY

Projects should align with Shores & Islands Ohio's mission and strategic plan and increase the likelihood of visitation from outside the area. Projects should target the development of quality-of-place amenities, attractions, and facilities that enhance the visitor and resident experience and foster connectivity within the specific community and Erie/Ottawa County. Some grants require at least a 50% match while others provide full project funding. The full grant informational packet provides details on eligible and ineligible projects.

New this year, grant applicants are required to attend an informational meeting before they are allowed to apply. These meetings will detail the grant, eligibility, application process and reporting requirements. Interested parties, or anyone who wants more information about the process, may attend one of these scheduled meetings at any location, regardless of which county the applicant is applying from. Additionally, there will be a virtual option for those who cannot attend in-person. If unable to participate in any of the sessions, either in-person or virtually, the applicant must schedule a one-on-one review with Amanda Smith Rasnick before applying. Email amanda@shoresandislands.com with questions regarding the info sessions or to schedule a personal review.

- Friday, November 21, 2025 at 10 am and 3 pm - S&IO West (770 S.E. Catawba Rd., Port Clinton)
- Tuesday, December 2, 2025 at 9 am and 2 pm - S&IO East (125 E. Water St., Sandusky)
- Monday, December 8, 2025 at 10 am and 3 pm - S&IO East (125 E. Water St., Sandusky)
- Tuesday, December 9, 2025 at 9 am and 2 pm - S&IO West (770 S.E. Catawba Rd., Port Clinton)

Application proposals are being accepted now and will be due by 12 pm on Wednesday, February 25, 2026. Grant finalists will be notified by March 31, 2026, with grant award meetings taking place from April 1-3 and 6-8, 2026. For more information on the grant process or to receive an application, please contact Shores & Islands Ohio Destination Engagement Director, Amanda Smith Rasnick, at amanda@shoresandislands.com or 419.625.2175.

CIVISTA BANK NAMED ONE OF 2025'S BEST BANKS TO WORK FOR

Sandusky, Ohio (November 14, 2025) – Civista Bank has been named one of the **2025 Best Banks to Work For**. American Banker has partnered with Best Companies Group to identify banks that excel at creating positive and supportive workplaces for employees.

This year 90 banks earned a spot in the ranking of **Best Banks to Work For**, based on an anonymous employee survey and a thorough review of the benefits and perks offered. The full list of the 2025 **Best Banks to Work For** will be featured at www.americanbanker.com on Nov. 10.

"The banks recognized as Best Banks to Work For are institutions employees want to join and stay," said Chana Schoenberger, editor-in-chief of American Banker. "They understand how to give workers reasons to find purpose in their jobs."

On the 2025 list of top banks, Civista Bank earned the No. 26 spot in the \$3 billion to \$10 billion asset category. The survey and awards program identifies and celebrates banks that cultivate exceptional cultures dedicated to employee growth and success.

Determining the **Best Banks to Work For** involved a two-step process. The first consisted of evaluating each participating bank's workplace policies, practices, and demographics. This part of the process was worth approximately 25% of the total evaluation. The second consisted of employee surveys aimed at assessing the experiences and attitudes of individual employees with respect to their workplace. This part of the process was worth approximately 75% of the total evaluation. The combined scores determined the final ranking.

To be considered for participation, banks had to have at least 50 employees working in the U.S. and been in business for a minimum of one year. Best Companies Group managed the registration and survey process and also analyzed the data to determine the final ranking.
